

Filip Alexandru

Profile

I am a passionate and creative front-end developer in building interactive web applications using HTML, CSS, JavaScript, Vue.js. I have a good knowledge of web design principles, accessibility standards, and best practices. I am always eager to learn new technologies and frameworks, and enjoy collaborating with other developers and designers to create amazing user experiences. Some of my skills and achievements include:

- Proficient in HTML5, CSS3, JavaScript, Vuejs, Git, Linux and Web Hosting.
- Experienced in using modern front-end tools and libraries such as Bootstrap, Sass, NPM, Axios, Vuex, Vue-CLI
